▼ **BIODEFENSE**

When it comes to biodefense, Northrop Grumman is leading the way in biological threat detection, response technology and services. From detection hardware such as the U.S. Postal Service's Biohazard Detection System, to information systems that collect and analyze data for decision support, to our committed team at Northrop Grumman of more than 1,000 supporting our nation's response to health threats, Northrop Grumman is ready to help protect the public from the largest — and tiniest — threats.
